Key Concepts

Important truths:

First: the Bible can be trusted. It is mathematically precise. It is accurate in all its details. It reveals precise dates on the timeline of history, convincing even skeptics of its veracity. Thus, prophecy bolsters our confidence in the trustworthiness of God's Word.

Second: The judgement-hour message is an appeal to our hearts to strive for a deeper commitment to Jesus as Lord of our lives.

Third: The urgency of the hour is a call for God's people to witness, with renewed urgency to their relatives, friends, neighbors, work associates.

Refuge in the Lord

Psalms 21:1-3

**O Lord, in your strength the king rejoices,
and in your salvation how greatly he exalts!
You have given him his heart's desire and
have not withheld the request of his lips.
For you meet him with rich blessings;
you set a crown of gold upon his head.**

This psalm is a hymn of exultation in the Lord's abundant provision for and protection of King David. Does this sound irrelevant? The glory of the Bible is that there is no such thing as an irrelevant passage, because the entire Scripture is a web of texts that work together to tell us of God's great plan to save the weak through Jesus Christ.
