Key Concepts

The two major falsehoods of Babylon: the concept of the immortal soul and sun worship. Throughout the centuries, heathen religions have believed that the soul was immortal. This idea of the immortality of the soul entered the Christian church in the early centuries, along with the worship of pagan idols that were repackaged under a veneer of Christianity and venerated as saints. The second error, sun worship, also entered the Christian church relatively early when Christian leaders attempted to appease the pagans and make Christianity more palatable to them. The purported sacredness of Sunday and immortality of the spirit are two of Satan's greatest deceptions for the last days.

Refuge in the Lord

**Psalms 27:1 The Lord is my light and my salvation; whom shall I fear?
The Lord is the stronghold of my life; of whom shall I be afraid?
Verse 13,14 I believe that I shall look upon the goodness of the Lord in the land of the living! WAIT for the Lord; be strong, and let your heart take courage; wait for the Lord!**

What else do you need in life beyond the truths of Psalms 27? Consider the words of this psalm . Read them slowly. Drink them in. If the Lord is your light and salvation, of whom will you be afraid? Have you tasted this? Is the Lord beautiful to you? Our hearts are hungry for His beauty.
