Key Concepts

Much like the disciples, we know that Jesus is good and that we want to be with Him, but we slide into a state of spiritual sleepiness, missing multiple opportunities to share the love of God with a desperate world. We need to remind each other, respectfully, to stay awake and always be ready to share the love we have experienced with a suffering world.

Happy November Birthday!

Refuge in the Lord

When we come to the God of the Bible
Psalms 98:1 Oh sing to the Lord a new
song, for he had done
marvelous things!.. The Lord has made
known his salvation, he has revealed his
righteousness in the sight of the nations.

Do you know and feel that he and he alone
has accomplished your gracious rescue?
An old hymn says, "Nothing in my hand I
bring, simply to thy cross I cling." God's
global grace is reason for deep encourage-
ment. Anyone can get in on this—as long
as he does not try to barter with God but
rather humbles himself enough to simply
receive his love freely.
