Refuge in the Lord

When we come to the God of the Bible

Psalms 104: 13,14

You send rain on the mountains from your heavenly home, and you fill the earth with the fruit of your labor. You cause the grass to grow for the livestock and plants for people to use. You allow them to produce food from the earth.

It is by the mighty power of the Infinite One that the elements of nature in earth and sea and sky are kept within bounds. And these elements He uses for the happiness of His creatures. “His good treasure” is freely expended. . . to bless all the work of man’s hands.
