### Key Concepts

God is the shelter and refuge of those who are in trouble, but He also is the Divine Warrior who fights for the oppressed. He is a proactive leader. Thus, we should be proactive in confronting the social problems that face us today in the world. For sure, we cannot solve all of these problems, but we can strive to have a positive impact on our community and on the lives of the vulnerable and oppressed around us.

### When we come to the God of the Bible

Psalms 128: 1 Blessed is everyone who fears the Lord, who walks in his ways! You shall eat the fruit of the labor of your hands; you shall be blessed, and it shall be well with you.

What does it mean to be “blessed”? To be blessed is to move through life with a settled depth of happiness that comes from walking with God and enjoying his fatherly favor. To be blessed means to live the human life the way it was meant to be lived. It is to enjoy a taste of Eden restored. Note the way this psalm unfolds divine blessing- It is a matter of eating and drinking, of enjoying one’s spouse and children. Vs. 3,4
