Key Concepts

The key thought in our lesson is that, despite Satan's vicious attacks on God's people and his attempts to destroy them, ***Jesus wins and Satan loses.*** This thought is vital in preparing us to understand Revelation's end-time message, found in Revelation 14:6-12. Although God's people will face oppression, persecution and imprisonment as well as economic boycott and a death decree, they have the absolute assurance that, on the cross, Jesus triumphed over the principalities and powers of hell. Satan is a defeated foe.

Refuge in the Lord

Psalms 15 O Lord, who shall sojourn in your tent? Who shall dwell on your holy hill? He who walks blamelessly and does what is right and speaks truth in his heart;. Who does not slander with his tongue and does no evil to his neighbor, nor takes up a reproach to his neighbor. . . .

Such a person has a certain moral internal compass or perspective. This is someone who "honors those who fear the Lord" vs 4 that is, he lives in reverent devotion to the Lord, inside and out. To such a life we are called. Called to abide with Jesus on His holy hill.
